Motion by Art Baudler to direct the Clerk to contact the Atlantic Municipal Utilities in regard to the bill, and authorize the Clerk to pay the original price quoted of \$3500. for the used line truck. Seconded by Randall Bond. Carried.

Motion by Randall Bond and seconded by Westphal to authorize Mayor Burcham to sign the Land Lease for Water rights with Richard N. Edsall and Edna M. Edsall. Carried. This was signed in the presence of Joy Grantham, Notary Public.

Motion by Keith Westphal and seconded by Deane Darrow to authorize the Clerk to pay Richard N. and Edna M. Edsall the amount of \$100.00 for the Land Lease. This being the amount due, payable on the 1st day of February of each year. Carried.

Committee Reports were heard. Two bids were received for the patrol car. Those being Schildberg's at 3842.65 and S&S Ford Mercury at 4063.93. Since no bid had come in yet from Kirlin Auto. The matter was tabled for the present time.

Otto Popp had ask to tap into the water line and hook up with the sewer at his property. The Council feels that if Mr. Popp and Mrs. Julia Gruber could come to some agreement for a tap in the water line, The City would not object to this arrangement. Otherwise the \$200 fee would have to be paid by Mr. Popp. The Council states that there is no objection to Mr. Popp hooking on to the sewer.

Delmer Miller told the Council that new tires were needed for the pick-up and the motor needs overhauling. Also the dump truck rear end needs fixing. The Council agreed that this should be taken care of.

There being no further business Motion was made by Deane Darrow to adjourn. Seconded by Keith Westphal. Carried.

Betty V. Burcham, Mayor

February 4, 1976 Fontanelle, Iowa

The City Council of Fontanelle met in Special Session at the City Hall at 7:30 P.M. with Mayor Betty V. Burcham presiding. Councilmen present were: Art Baudler, Randall Bond, Deane Darrow, Ralph Means and Keith Westphal. Absent: None

The purpose of the meeting was to discuss with Mr. Jim Hall of DeWild Grant Reckert Engineering firm of Rock Rapids, Iowa, the additional work on the electrical project, for the Fairview Addition and West of the School.

Having no figures at hand Mr. Hall estimated that the additional cost would be around \$35,000., and the Engineering time about \$100.00. He stated that either competitive bids could be taken for the work, or local men could be employed to do the work. A study of materials should be looked into, and prices should be gotten from several companies.

A digger was discussed, as the Council felt it might be advisable to get one.

The Council decided that final notices for delinquent sewer and water hook-up fees and bills will have to be paid or they will be sent to the city lawyer to collect.
