Drainage into the Sanitary Sewer was discussed. Basement drains should be hooked to the Sanitary Sewer. No other outside water should be allowed to drain into the System. Top side floor drains are allowed, and sump pumps should be used.

Charles Cummins is to dig in the Sewer line extension on 4th street

The street to the ball field is badly in need of oil. If materials are furnished the city would do the work. The street west of the school also needs repairing. Since Henningsen Construction will be in the area it was felt that it would be advisable to get materials from them to save hauling costs.

Motion by Keith Westphal to transfer \$198.00 from Federal Revenue Sharing to the General Fund. Seconded by Art Baudler. Carried.

Motion by Keith Westphal to adjourn. Seconded by Art Bauler. Carried.
