The City Council met in an Emergency Meeting at 10:00 A.M. at the Street Intersection of 12th and Washington with Mayor Floyd Walter presiding. Council Members present were: Andy Gentle, Ralph Means, Deane Darrow and Art Baudler. Absent: Keith Westphal.

The news media had been notified of this meeting. The purpose of the meeting was to discuss the Street Project now in progress.

Area residents, Marvin Huddleson, Mr. & Mrs. Robert Hall and Jerry Zimmerline were also present.

It was decided to make a water way between Huddleson's and Hall's property that would then follow the natural water way, but no ditch would go in front of the Robert Hall residence.

North of the corner of 12th and Washington the east side is to be filled in, making the ditch on the west side. South of the corner the contractor is to pull the crown of the road west. This would mean cutting back land on the Charles Dahlke and Jerry Zimmerline properties, and a fence on the Zimmerline property would have to be moved, which Mr. Zimmerline agreed to do.

The Council agreed to bring the dirt up to the shoulder line and leave the road as it is.

NOTE: It was practically impossible to take minutes at this meeting.
