Tom Mehl, financial advisor met with the Council regarding the purchasing of future supplemental power. Mr. Mehl related that he had talked to Mr. Grant of DeWild Grant Reckert and they felt that as far as cost of power, there was very little difference between Missouri Basin Power Agency and that of Central Iowa Power Co-op. The Main thing is the wheeling of power. Mr. Mehl felt that the determination of which one to buy from should be made in the very near future.
