Departmental Reports were heard and correspondence read. Motion by Deane Darrow to have the City pay one-half the cost and the County pay one half the cost of repairing Summerset Street from 1st Street to Third Street and West Benton from 1st Street to the railroad track. Seconded by Eugene Van Vleet. Carried.

Delmer Miller reported that the Infared Scanner had been used on the electrical lines. Several elbows are heating and could go out. They also found that 2 or 3 aerial transformers were leaking electricity. He also reported that the Underground cable has been received and that they can now start burying it.

Harold Veatch wants city water run to his new building. There was discussion on what the charge would be since he is outside the city limits. It was decided that the City would run the main to the City Limits for \$250. and
