Departmental Reports were heard Delmer Miller stated that he had not received any verification as to when the transformer would come, but that he would have a 24 hour notice as to arrival. He hopes the change can be made in two short outages, rather than one long one.

Marshal Jones stated that the sheriff's office had a box for papers, books and blanket that was for sale at \$38.50. After some discussion the Council decided that they would not purchase it at the present time. They also decided to have the old police car inspected at a cost of \$8.00 instead of selling it on red title. Sealed bids will then be taken.
