

Fontanelle has already been rated through Census data by formula. Fontanelle already has 180 points. It was decided to have the Southern Iowa Council of Governments make out the application. This application has to be in by the middle of March. If a grant is given you must go through the whole Letting Process. He stated that any Fund Raising should be started, and any cash that the City could give is very important. Mr. Lutz stated that if their Engineering Co. was used on a per diem basis it was \$500. If the City does not get the grant the charge might run 200 to 300.

Motion by Kenneth Perry to have Mr. Lutz draw up a plan and present a cost estimate for a new fire station. Seconded by Denny Sickles. Carried. A Special Meeting will be held February 9th at 7:00 p.m. to decide on this.

Mr. Graham Daugherty gave an interesting review of what CMI Cable T.V. has to offer. They have the basic 4 networks plus 6 satellite channels with two optional services also available. At present they have franchises in Woodbine, Exira, Anita & Massena, and the City of Logan is the Iowa State office. The franchise has a 3% fee of the gross revenue. His company would like to negotiate with the City or Telephone Company to rent poles by the year for aerial hook up. He stated that the rates are: Monthly Basic is \$10. per month. Basic plus 1 option is \$20. per month. If you would hook up to everything it would be \$28.50 per month. Extra converters are \$2.00 per month. One is furnished. Standard hook up is \$15. but they do have a special rate for the first 30 days which is \$7.50 for any or all channels. Collections are done from Topeka, Kansas. The CMI Company has a standard Ordinance for the Franchise which should be reviewed by the City Attorney. The City would be responsible for finding a place for a Tower and building. The tower should be 60 to 80 feet on the highest elevation. No decision was reached on this matter.

Motion by Harold Veatch to adjourn. Seconded by Denny Sickles. Carried.

Departmental reports were heard and correspondence read.

Police Chief Ronald Highland talked with the Council regarding Standard Operating Procedures for the Police Department. There are the 13 policies and General Rules. This is to be studied during the next month and acted upon at the March meeting. He also reported that the Police Car needed repair again. The motor keeps stopping.

The Council talked to Dean Sueck about behavior and time being spent at Joe-Bob's. The Council informed Mr. Sueck that what he does on his own time is his own concern, but while in Uniform he is to carry out his duties as a Police Officer and not hang around in the Tavern.
