

The City Council met in Special Session at City Hall at 7:00 p.m. with Mayor Ralph D. Means presiding. Council Members Present were: Harold Veatch, Denny Sickles, Gene Jacobsen Robert Edwards and Kenneth Perry. Absent: None.

Mr. Bob Pringle of Mid State Engineering met with the Council. Motion by Harold Veatch to approve the Agenda as posted. Seconded by Denny Sickles. Carried.

Mr. Pringle suggests that a coagulant be added to the water and to change 2 chemical feeds would do a great deal to improve the water. He also suggested the addition of a stirrator which has a 5 foot blade be put in. This costs from \$10,000 to \$15,000 for the metering pump and blade. He estimated the annual cost of the chemicals would be around \$400. They do not recommend pipe stirring but do recommend a slow stir. He estimated the installation of the Palmer feed and stirrator to be around \$2,500. or less.

Motion by Kenneth Perry to change the feed points for permanganate and sodium hydroxide (caustic soda) at the City Water Plant. Seconded by Gene Jacobsen. Carried.

Motion by Denny Sickles to pay Vias Pump Co. of Exira, Iowa \$175.00 for deep well repairs. Seconded by Robert Edwards. Carried.

Motion by Denny Sickles to adjourn. Seconded by Harold Veatch. Carried.

Ralph D. Means
Ralph D. Means, Mayor
