The Mayor is to talk to the supervisors to see if there is a possibility of the County covering the work. With most police officers being sent to the Academy by the city and then leaving in a short time; the Council felt that if another man was hired it would be better to get one that

already had academy training.

Bob Pringle of Mid State Engineering met with the Council regarding the Water Project. He suggested that a pre-application be sent to FmHA to fund the project if the O.P.P. Helen Wyllie and Zura Brown representing the Cora Rebekah Lodge met with the Council regarding their renting of the Community Center for their meetings which are held the 1st and 3rd Friday of each month. They felt that \$15. was to much when they just use it for an hour, and they needed a place to store their altars and pedestalm. The Council said that they were welcome to use it, but the price would have to be the same and that there is definitely no room to store their things. The Mayor did tell them that they were most welcome to use it for special occasions if the need arises.

Daryl Kline met with the Council wanting approval to install a tube for drainage and to do some discing between his property and that of Fred Zimmerline. He also ask to have the alley graveled between his property and that of Ardell Griffith. The Council gave its approval on all matters with Mr. Kline paying for the materials.

School to help pay for thier insurance. Seconded by Denny Sickles. Carried.

James Jensen would pay for the cement for his new sidewalk if the city would put in the forms and level it. It was decided that the City Crew is much to busy to take time to do this with the street project, water problems and the Lutheran Church drainage problem.

The Council decided that due to Mr. Frisbies not co-operating with the code about keeping sidewalks clear that they would ask to have an Ordinance made up with a stiff fine for those disobeying the order. This will be turned over to the Attorney to be made up.

A lot of complaints about people burning garbage have been received.

If this continues there will be a letter sent to those doing the burning stating the provisions of the State Code of Iowa.
