There was discussion about the railroad bridge and police protection.

It was stated that Policeman Dan Richards has a weeks vacation time coming. Since there was no written contract or written papers the Council felt that it would be in the best interest of everyong if he was dismissed from duty. The sheriff will do his best to cover situations until someone is hired.

Pastor Harold McMillen had expressed interest in setting up a neighborhood watch. He would like to discuss the matter with the Council, perhaps at a later date.

The Council decided that if a new policeman can be found that if he has not been academy trained he would have to work a year before sending him to the academy.

Motion by Kenneth Perry to give Dan Richards a 2 weeks notice and to give him the option to resign. Seconded by Gene Jacobsen. Carried.

Also discussed wqs the drainage problem at the Lutheran Church. According to the minutes of 1948 (Page 302 & 306) the town and the church share on an equal basis the establishing and maintaing of a waterway throu the property and the town reserved the right to enter the property, without liability, for the purpose of repair and maintenance of the above mentioned waterway.
