Harold Veatch and Gene Jacobsen would like to look into Rural Water as a partial source. Gene also ask about whether a tower or ground storage would be more feasible. Two sites were discussed as sites for a tower. Those being a parcel of land owned by the Farmer's Co-op and that of Vernon Grantham.

Delmer Miller reported that there was work to be done at the Lift Station. It will take a new valve and piping. A newly repaired pump had to be sent back for repairs.
