

Motion was seconded by Robert Edwards. Carried.

A new police radio was discussed. It was suggested that a 60 watt radio with a 110 booster was advisable. This has 16 channels. Program for anything that you want into it. The cost is around \$1500. It was decided that Mr. LaBrec would decide on the type radio that he thought was necessary for his operations.

On Mr. LaBrec's days off the Greenfield police are to cover for him at a charge of \$8.00 per hour. The Greenfield officers will be under the direction of Chief LaBrec when they are on duty in Fontanelle.

He will be needing a winter coat. Otherwise his uniforms are taken care of as he owns most of these uniforms.

Motion by Denny Sickles to adjourn. Seconded by Gene Jacobsen. Carried.
