

The Fire and Rescue Management Committee met at City Hall at 7:00 p.m. with Mayor Ralph D. Means presiding. Committee Members present were: Sally Sorensen, Leroy Nelson, Max Jacobson, Kenneth Perry and Robert Edwards. Absent: Roger Frank.

Motion by Max Jacobson to approve the Agenda as posted. Seconded by Sally Sorensen. Carried.

Motion by Leroy Nelson to approve the minutes as read by the Clerk. Seconded by Max Jacobson. Carried.

Motion by Sally Sorensen to approve the Finance Report as given. Seconded by Leroy Nelson. Carried.

Chief Ray Stewart reported that the Water Truck is painted. It is running but there is a leak in the fuel line in the return line. Ray had talked to Breda to get a starter put on the pump and they said they got the parts and there was no problem of getting it on. R. J. Miller had taken the E.M.T. test but will have to retake it. As for Kay Bax E.M.T. class, Chief Stewart thought they would be reimbursed for the class but not the mileage. The firemen will be taking classes in the near future.

New Safety Equipment will have to be in effect by 1991. The DNR will be having Grants so application is being made for a 50/50 Grant. Matching funds are for \$2,000. The new equipment consists of boots, pants and coats and helmets. Ray thought that we could possibly meet standards if we could get the pants.

Motion by Kenneth Perry to apply for the 50/50 Grant from DNR for safety clothing.. Seconded by Max Jacobson. Carried.

Motion by Leroy Nelson to adjourn. Seconded by Max Jacobson. Carried.

Departmental reports were heard and correspondence read

Delmer Miller reported that he had checked on any asphalt plant that might be in the area, but there were none. The closest would be Henningsen in Atlantic.

Chief Melvin Smith gas his monthly report. He also stated that the Police car needed some repairs as there is a vacuum leak on the Emergency brake system.

Motion by Gene Jacobsen to get the police car repaired. Seconded by Albert Ehrenfried. Carried.

Motion by Albert Ehrenfried to approve the building permits of Mike Welsch for a pole barn; Ivan Chafa for an addition to his garage and to Don Baudler for a garage at his residence. Seconded by Gene Jacobsen. Carried.

Don Baudler met with the Council regarding a tree that is on the parking. It is a Chinese Elm and some of the roots have raised the sidewalk. He said the tree is dying and he ask if the City would pay for part of its removal.

Motion by Gene Jacobsen to pay one-half the cost of the tree removal from the parking at the Don Baudler residence. Seconded by Sally Sorensen. Carried.

Delmer Miller reported on the Electric Tie-line to Greenfield. He said that Greenfield's line is not large enough to carry the load. He had talked to Richard Dix about hooking up with REC but had not received a reply. Delmer thought that the City should give something towards a 1500KVA line to take care of Fontanelle or give Greenfield money to build up their line to handle the load.

The town lot was brought up again. The Council suggested that Delmer talk to Bill Dodson about a small piece of land which is used to store machinery at the present time.

Don Baudler ask about building a driveway at his residence which would come out on 4th Street. He ask if a tube was needed under the drive. He thought that it might be possible to run the slope to the ditch line in order to make a little swail so the water would have someplace to go.

The date of December 13th was set for the annual Christmas party to be held at the Community Center.

Motion by Albert Ehrenfried to adjourn. Seconded by Gene Jacobsen. Carried.
