The Fontanelle City Council met in special session at City Hall at 7:00 pm with Mayor Ehrenfried calling the meeting to order. Council members present were: Thompson, Armstrong, Pitts, Hepler and Tiedeman. Absent: None.

Motion by Thompson to approve the agenda. Seconded by Armstrong. Carried unanimously.

The council looked at DGR's recommendation for the Electric Distribution System Improvements 1993. After discussing the advantages of plowing in the wire versus trenching in the wire, a motion was made by Tiedeman to have the wire trenched in. Seconded by Thompson. Carried 4 - 1 with Armstrong voting nay. After further discussion about having DGR attend the meeting to answer any questions, a motion was made by Tiedeman to rescind the last motion. Seconded by Thompson. Carried unanimously.

After telephoning Ben Brink at DGR, it was decided to set a special meeting after hearing from them on a date they could attend.

The awarding of switching materials will wait until the awarding of the Electric Improvement contract.

Discussion on obtaining council for representation regarding the possible police suit will be decided after consultation with the city attorney.

Motion by Pitts to adjourn. Seconded by Thompson. Carried unanimously.

Motion by Armstrong to approve Mike Sickles building permit for a barn if the city code is followed. Seconded by Thompson. Carried unanimously.

Clint Hight advised the Council to retain the attorney recommended by the insurance company to represent the City in any employee discrimination case. It was discussed and decided to make a decision at the next regular meeting when the full council could be present. If any councilman is not going to be in attendance, they will be asked to submit a written opinion that will be read into the minutes.

Ron Dykstra with the engineering firm of DeWild Grant Reckert and Associates, recommended the Electric Improvement contract be awarded to Push, Inc. of Chetek, Wisconsin, for \$149,200.58 for plowing in the electric line. Mr. Dykstra answered numerous questions regarding plowing versus trenching.

Motion by Thompson to award the contract to Push, Inc. for plowing in the line with DGR providing observers. Seconded by Tiedeman. Carried unanimously.

DGR also recommended the padmount switching materials be awarded to Electric Materials for \$17,360.45. Another bid was lower but after
