

No bills were presented at this time.

Chief Mike Faga reported that the starter had been fixed on the fire truck, but that the manifold is leaking. Max Gross is fixing the manifold.

February 22, the department had their regular meeting with the gas company giving a class on electric and gas emergency procedures. The department will try to visit some businesses in the near future to identify where their gas meters are.

Two people have joined the department. They are Carol Baudler and Steve Faga.

The tanker truck has blown a head gasket. Repairs would be costly and parts are hard to find. Also the rear end is going out. Replacing the engine with a gas engine was discussed. It was decided to possibly look for a different tanker.

Four new pagers were requested for the two members who joined the department and for the two pagers that were lost. The department decided on a policy for lost pagers, if a pager is lost, it should be turned into the fireman's home owners insurance. If the insurance does not cover the loss, the department will replace the pager one time. If the same fireman loses another one, the department will not replace the second. Also, a new battery is needed for the debibrillator. The cost will be app. \$140. Motion by Pitts to pay for the four new pagers if donation or insurance money doesn't cover the cost and also to purchase the new debibrillator battery. Seconded by Frank. Carried unanimously.

Six fire coats had been budgeted for this year. The department would like to purchase these coats at this time. Also, one pair of fire boots. Motion by Jacobson to purchase the six coats and the one pair of boots. Seconded by Herr. Carried unanimously.

The firemen are going to remodel the rack where the coats, hats and boots are stored.

There is an upcoming class in Adair covering storm spotting.

In the near future the firemen are going to practice hooking the fire hoses to the truck and the fire hydrant. Not all firemen have done this before.

The possibility of the fire department having a beer garden with brats for the 4th of July celebration as a fundraiser was discussed.

A long range goal of the department is to buy a new fire truck with foam capability. The cost of a different truck was discussed and possibilities for financing will be looked into. This is not going to be purchased in the next few years, but needs to be thought about.

Motion by Pitts to adjourn. Seconded by Jacobson. Carried unanimously.

Motion by Thompson to approve Dean Lamb's building permit for a garage, barn and the addition of a bathroom to the house, if it conforms to code. Seconded by Armstrong. Carried unanimously.

John Fox had to cancel appearing before the Council concerning streets because of bad weather.

Bill Glassell had informed the Mayor that he would like to sell some land to his son to build a house if details could be arranged with the city. Motion by Thompson to open 7th St. partially, so there will be access to the new house. Seconded by Armstrong. Carried unanimously.

The bridge on 3rd St. will be inspected this spring. A suggestion was made to remove the bridge and install a large tube. No action will be taken at this time.

Cummins Construction has had mechanical trouble with their truck, so progress has stopped until repairs can be made.

Motion by Armstrong to give the \$1000 check from SIMECA to the Fontanelle Development Corp. Seconded by Tiedeman. Carried unanimously.

Departmental reports were given and correspondence read.

Garry showed the Council a proposal submitted by ChemTrol to spray the lagoon, sub station and other areas. Motion by Pitts to accept the amount of the proposal. Seconded by Thompson. Carried unanimously.

Motion by Tiedeman to have a phone installed at the town shop. Seconded by Armstrong. Carried unanimously.

OSHA regulations for fire resistant clothing and gas monitoring for confined space were discussed. Motion by Tiedeman to purchase a gas monitor and to share a calibration kit with Greenfield. Seconded by Thompson. Carried unanimously.

Motion by Thompson to have the town furnish fire resistant shirt and the employees purchase their own fire resistant pants. There was no second. Garry will check more prices.

At 7:30 pm the Mayor declared the public hearing convened on the 95/96 budget estimate. The budget estimate was considered and no objections were received. Motion by Pitts to approve the budget and file it with the County Auditor, and to adopt a resolution entitled:

RESOLUTION ADOPTING THE ANNUAL BUDGET FOR THE FISCAL YEAR ENDING JUNE 30, 1996

Seconded by Tiedeman. Roll was called with the following voting AYE: Thompson, Armstrong, Tiedeman and Pitts. NAY: None. Whereupon, the Mayor declared the resolution duly adopted as:

RESOLUTION 95.1

RESOLUTION ADOPTING THE ANNUAL BUDGET FOR THE FISCAL YEAR ENDING JUNE 30, 1996

Garry informed the Council that the trucks are in from the state, and that an open house will be held today, tomorrow and Wednesday. Garry, Councilman Pitts and possibly Councilman Armstrong will plan to go to Ames and view the trucks on Wednesday.

The police reports were presented.

Under public input, Evelyn Eblen and Mr. and Mrs. Arlan Jacobsen asked some questions about the proposed sale of the land between City Hall and Evelyn Eblen's for a car wash. The Jacobsen's and Mrs. Eblen have objections to a car wash being installed there.

Motion by Pitts to adjourn. Seconded by Thompson. Carried unanimously.
