Fire Chief Sickles reported that the old fire truck has a leak in the water tank. Local welders don't want to try fixing it. Denny is going to check with a place in Diagonal and a place in Audubon to get options on repairing the tank. No one will guarantee work on the tank because of its age and possible thinness.

The new truck should be delivered sometime in November or December. After it is delivered, a decision will be made whether to sell the old fire truck or the tanker truck.

Motion by Welsch to adjourn. Seconded by Mensing. Carried unanimously.
