The Council talked individually with the employees about their requests for raises or other concerns.

Garry presented the report from Hydro Klean regarding the damage found to our sewer lines during the recent cleaning and camera inspection. There was more damage than anticipated. Many laterals were broken and the main had quite a bit of major damage. The report will be forwarded to H.R. Green for study and a recommendation will be made for its repair. The possibility of applying for a grant was mentioned and will be discussed with West Central I-80.

Wayne Jameson had asked Garry about the possibility of hooking a drop inlet to a drain line running across his property. The drain

line is presumed to belong to the Lutheran Church, so we cannot hook anything to it.

The storm drain ditch at Mike Welsch's is filling in and obstructing the outlet. Discussion about how to fix the problem ensued. Councilmember Cummins will look at it and give a report.

The Fontanelle fire and Rescue Management Committee met in regular session on April 23, 1998, at City Hall at 7:00 p.m. with Mayor Jacobson calling the meeting to order. Committee members present were: Dukes, Mensing, Welsch and Herr. Absnet: Jaschke and Holan.

Motion by Herr to approve the agenda. Seconded by Dukes. Carried unanimously.

Motion by Herr to approve the minutes. Seconded by Mensing. Carried unanimously.

Motion by Welsch to approve the finance report. Seconded by Mensing. Carried unanimously.

The bills presented were: SWICC for \$1275.00 for EMT training for three firemen; Harold Veatch for \$104.40 for mileage; Denny Sickles for \$76.82 for gas for the firetruck while enroute to Excel Fire Equipment and Dr. Hansen for \$56.00 for a physical for a fireman. Motion by Dukes to pay the first three bills and also the bill from Excel Fire Equipment when it arrives, but to not pay the bill to Dr. Hansen which should be paid by the fireman. Seconded by Welsch. Carried unanimously.

Chief Sickles informed the Committee that Bridgewater Fire Dept. has bought the old water tanker truck and that they will deliver a check for \$2500 to the City Clerk soon and will pick up the title at that time. The old ambulance has not been sold yet but Denny will contact SWICC and the Prescott Fire Dept. again and then advertize if neither are still interested.

The old fire truck has been lined so it will hold water and has a 20 year guarantee. A 10 inch dump was also installed. The bill should be received shortly.

The plaque with contributions names for the new fire truck will be put on display in the community center instead of on the truck itself because other fire departments have complained that the plaques put on the trucks have not weathered well.

Motion by Herr to adjourn. Seconded by Dukes. Carried unanimously.
