The bills presented were: SWICC for \$1275.00 for EMT training for three firemen; Harold Veatch for \$104.40 for mileage; Denny Sickles for \$76.82 for gas for the firetruck while enroute to Excel Fire Equipment and Dr. Hansen for \$56.00 for a physical for a fireman. Motion by Dukes to pay the first three bills and also the bill from Excel Fire Equipment when it arrives, but to not pay the bill to Dr. Hansen which should be paid by the fireman. Seconded by Welsch. Carried unanimously.

Chief Sickles informed the Committee that Bridgewater Fire Dept. has bought the old water tanker truck and that they will deliver a check for \$2500 to the City Clerk soon and will pick up the title at that time. The old ambulance has not been sold yet but Denny will contact SWICC and the Prescott Fire Dept. again and then advertize if neither are still interested.

The old fire truck has been lined so it will hold water and has a 20 year guarantee. A 10 inch dump was also installed. The bill should be received shortly.

The plaque with contributions names for the new fire truck will be put on display in the community center instead of on the truck itself because other fire departments have complained that the plaques put on the trucks have not weathered well.
