

for changing the pumps to single phase and costs for replacing the 3 phase pump and rotoconverter will be looked into. A special meeting may be called to decide which action to take in this situation. Craig is to talk to SIRWA about a backup line for Fontanelle.

Craig and Jack used a Hotsy at the well when cleaning the pits and reported that it did a good job. The purchase price for the portable would be \$2495 plus the cost of a turbo nozzle. Motion by Cummins to approve the purchase of the Hotsy and nozzle. Seconded by Jaschke. Carried unanimously.

Prices on locators were viewed. Motion by Cummins to approve the purchase of a locator from Radiodetection through Telco. Seconded by Glassell. Carried unanimously.

A help wanted ad will be put in the paper for part time help.

Jack reported on the park restrooms. The DOT purchased the large sinks from us and the smaller sinks should be here in about three weeks.

The cell phone batteries keep going dead and Jack's phone keeps shutting off. They are to call Dean Stormer about these problems with the cellphones.

Larry Warrior's drainage problem was discussed. Craig and Jack are to replace the tube under the street with dual tubes.

Motion by Glassell to adjourn. Seconded by Jaschke. Carried unanimously.

City of Fontanelle  
September 28, 1998

The Fontanelle City Council met in special session on Sept. 28, 1998, at City Hall at 7:00 p.m. with Mayor Jacobson calling the meeting to order. Council members present were: Dukes, Glassell and Jaschke. Absent: Holan and Cummins.

Motion by Jaschke to approve the agenda. Seconded by Dukes. Carried unanimously.

Part time employment was discussed. Motion by Dukes to hire Richard Williamson for a 60 day trial at \$7.00 per hour. Seconded by Glassell. Carried unanimously.

Lois relayed a complaint about the community center. A renter felt that with the school taking up a large portion of the kitchen and dining area, that the rent should be reduced to other renters. The Council feels that the situation with the school warrants the slight inconvenience to other renters. They also feel that the rent of \$35 is sufficiently low and will not reduce the amount.

A water cost analysis questionnaire was discussed. Lois is to call SIRWA and ask why this information is needed to give a cost estimate of hooking on to rural water for emergency use only.

A resolution approving the 1997/98 financial report for the municipal street and parking was reviewed. Motion by Dukes to approve the proposed resolution. Seconded by Jaschke. Carried unanimously. Whereupon the Mayor declared the resolution duly adopted as:

RESOLUTION 98.15

RESOLUTION APPROVING FINANCIAL REPORT FOR THE MUNICIPAL STREET AND PARKING FOR THE CITY OF FONTANELLE FOR THE YEAR 1997/98.

At 7:30 p.m. the Mayor called the Public Hearing to order. Harold Veatch attended the hearing. A letter from the City attorney, Clint Hight, was read and discussed. Lois is to call Clint with some questions about portable signs for one way or closed and also permanent signs saying no traffic during school hours. The proposed ordinance was tabled until the next meeting when other alternatives could be answered by Mr. Hight.

Craig and Jack had found out that 10 horse pumps for single phase are not made anymore. The other two options are to purchase a rotoverter or to have Farmers Electric run three phase to the well. Craig had prices quotes for both options. The pump that was blown when the old rotoverter burned out will have to be repaired. Motion by Glassell to have REC run three phase to the well. Seconded by Jaschke. Carried unanimously.

Motion by Dukes to adjourn. Seconded by Jaschke. Carried unanimously.
