

replacement. Motion by Cummins to offer the contract to Young Mechanical if he can have it completed in November. Seconded by Jaschke. Carried unanimously.

A policy on boring in lines was discussed. The customer will pay for the boring if it is required to meet DOT regulations or if the customer requests it. The City will decide on an individual basis if any boring should be done.

Craig informed the Council that two customers need 200 amp service and will need to be dug in. Also, a new electric service will need to be dug in.

It was decided to have all new electric and water lines put into interduct. Dukes will try to get some prices.

Lois informed the Council that the CDBG grant and the REAP grant were both denied.

The Ford pickup needs extensive work. It was decided to start looking for another vehicle instead of putting more money into this one.

The City will need to advertise for a new meter reader.

Motion by Glassell to adjourn. Seconded by Dukes. Carried unanimously.
