Departmental Reports

Craig reported Max Smith Construction are doing a really good job on the water project so far. The only problem so far has been he had to reject some pipe. It will probably be late enough that the seeding will have to wait until the spring. If the ad made it into the paper this week, we will be flushing hydrants next week. If not, we will postpone it a week. He is still hoping to do some more bores to replace primary wire yet this fall.

Mara Zimmerline has resigned her position as cleaning person for the city. Reviewed the 7 applications received. The council directed Susan to check references and will make a decision at the November meeting.

Reed moved to adjourn the meeting at 7:40 p.m. 2nd by Sickles. Approved.

Departmental Reports

Craig reported Max Smith Construction are doing a great job on the water project. Susan and Craig discussed complaints they have been receiving regarding rotten feed being dumped on farm ground in the city limits causing a terrible odor. The property owner has stated there will be no more feed dumped on his property. Any more complaints received need to come to City Hall and file a written complaint.

Reed moved to adjourn the meeting at 7:50 p.m. 2nd by Glassell. Approved.
