

Craig reported the trash cans in the park and at the slab need replaced. Several of them have been hit by cars and are dented and rusted out. They are planning on starting the sewer main replacement project next week, weather permitting.

Glassell reported on the hazard mitigation committee meeting she attended. She has a questionnaire that needs completed. Craig and Susan will work on the questionnaire. The committee needs more representation. Susan will notify the council members of the next scheduled meeting.

Homan reported that 1st National Bank purchased the rock Bubba Sorensen painted last year at the state fair and are considering donating the rock to be placed in the city park.

Motion to adjourn the meeting at 8 p.m. by Reed. 2nd by Glassell. Approved.

Departmental Reports

Craig reported that the sewer main replacement project has been delayed due to rain. The weather has also slowed the electric line replacement project. Craig had ordered a replacement garbage can in light gray for the slab and park for the council to consider. It was decided to put the light gray garbage can at the slab and order some darker colored cans for the city park.

Sickles reported that Mrs. Rohner is not ready to make a decision regarding a memorial tree at this time.

Shafer discussed concerns the landfill commission has with some out of town haulers taking solid waste collected in Adair County to the Guthrie County Landfill instead of to the Adair County Landfill. This problem was discovered by employees at the Guthrie County Landfill.

Motion to adjourn the meeting at 8 p.m. by Reed. 2nd by Sickles. Approved.
