## City of Fontanelle November 14, 2016

The Fontanelle City Council met in regular session at 7 p.m. at the community center, with Mayor Miller calling the meeting to order. Council members present were: Davis, Baldogo, Zimmerline, and Warrior, Dukes. All motions are carried unanimously, unless otherwise noted. City employees present: David Sickles, Shawn Tipling and Amanda Held. Also present: Laura and Joel Fritz, Deb Dukes, Jim and Peg Scott, Mollie Lamborn, Jerry Davis, Scott Timm, and Dianna Goetz. Motion by Baldogo to accept the agenda as presented, 2<sup>nd</sup> by Dukes. Approved.

Guest speaker from Iowa State University Extension Scott Timm presented information on Solar and Net Metering on the behalf of Peg Scott. Scott Timm covered the basics on Solar Power such as; impact of renewable energy, how to get started, what electricity is, what makes up a photovoltaic cell, grid tied components, solar monitoring systems, and evaluating your solar resources. Scott also covered questions on the net metering and voided costs. Net metering is only required by investor owned utilities, and that the City should look at other towns avoided costs figures.

Much debate between the Council and the city's solar customers on what is a fair price for avoided cost and if the City's solar meters are working correctly. Scott Timm expressed that solar customers should have a system to monitor their panels to make sure everything is working correctly, and that the City look in to getting an outside expert to check the connections at the meter. Both parties decided this is a good place to start and will move forward with the idea.

Public Input, none.

Mayor Miller opened the public hearing at 8:08pm for the Budget Amendment.

Motion by Baldogo to have a personnel review for clerks six month review sent to the finance committee (Davis and Baldogo)  $2^{nd}$  by Warrior

Police Department report prepared by Pat Henry was reviewed.

Departmental report prepared by David Sickles was reviewed.

David Sickles reported that Sam Groves has given his notice and will be leaving Fontanelle Municipal Utilities and joining Greenfields Municipal Utilities. David presented two security camera options for the burn pile and will go ahead and order one with the package with 4 cameras. David also stated a new gas detector is needed for small spaces and will cost around \$1000.00. David asked if the council would like to grind out the stumps at the Tree Park, and council decided since the stumps are flush with the ground that it is not needed at this time. Mayor Wayne Miller stated the David's printed reports are outstanding.

David and the Council would like to remind everyone that if you dig please call 800/292-8989 to place a locate, this is a free service.

Motion by Baldogo to approve the clerk's report, list of bills and minutes from last month's meeting.  $2^{nd}$  by Davis. Approved.
